## PRODUCT DESCRIPTION

Oscar Zircon Novus FE FA-4 is an advanced fully synthetic heavy-duty diesel engine oil. It is lower in viscosity grades to help maximize fuel economy without compromising durability for next generation engines.

## APPLICATION

This product meets or exceeds the requirements of the latest API and ACEA industry specifications for diesel engine oils, as well as the requirements of many major American, and European engine manufacturers. However, Oscar Zircon Novus FE FA-4 is limited in backwards compatibility. Designed to provide optimized fuel economy for 2017 engines and beyond that are designed to capitalize on these improvements.

## PROPERTIES

- Emission system protection that can contribute to system durability and performance
- Enhanced fuel economy potential and extended oil drain interval capability
- Excellent oxidation stability that helps reduce engine deposits to keep engines running reliably

## PERFORMANCE LEVELS

Meets and exceeds:
API FA-4; CES 20087; DDC 93K223
